

REMARKS

The Examiner requested that Applicant elect between Species I and II. Species I is directed to a biological agent that includes trapidil and/or GM-CSF. Species II is directed to a biological agent that includes trapidil, GM-CSF, Taxol, and/or rapamycin. Applicant elects Species II. Applicant has amended claim 51 to broaden the scope of the claims to fall within elected Species II. Applicant submits that all of the pending claims encompass the elected species.

Applicant submits that the claims pending in the above-identified patent application are in allowable form and a notice to such effect is earnestly solicited.

Respectfully submitted,
FAY SHARPE LLP
